sitia

FRASI *Design*

SITIA was founded in 2002, solely dedicated to design and manufacture "Made in Italy" chairs. Sitia is committed to quality and innovation to cater large projects including custom made requirements.

FRASI DESIGN is an Italian brand solely catering the higher management requirements. Frasi Design offers the best customized solutions for executive offices and meeting rooms besides their standard ranges.

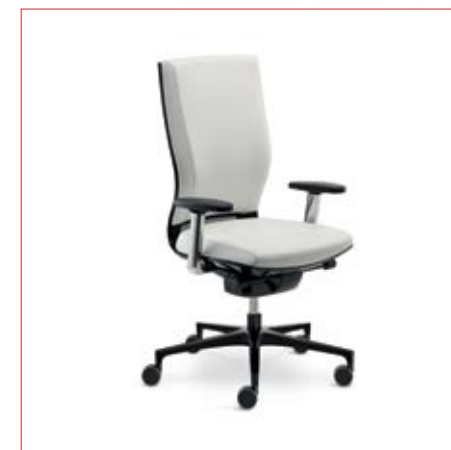

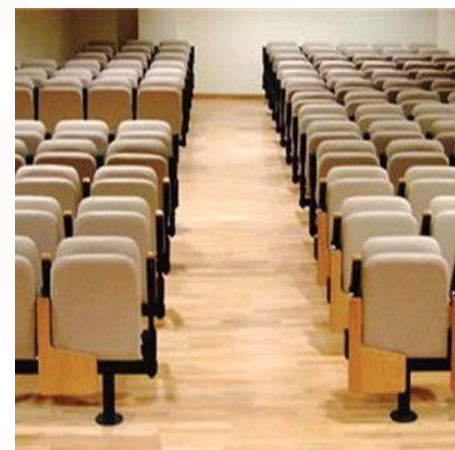

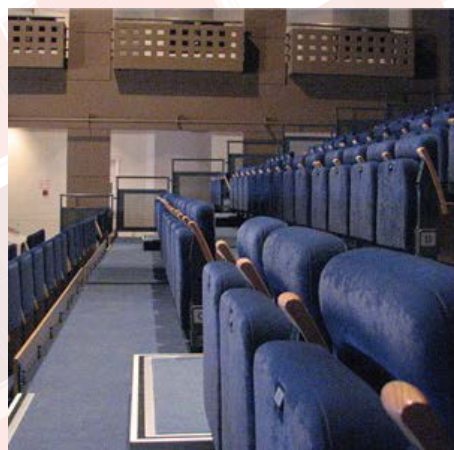

AUDIENCE Systems, UK is manufacturer of high performance seating for Education, Sports and Theaters. Audience Systems committed to provide inspired ideas, professional execution and flawless finish.

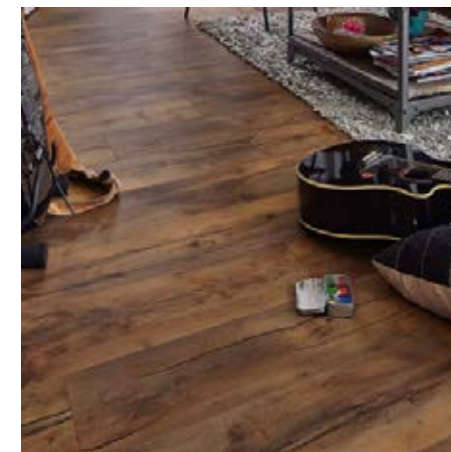

KLÖBER, Germany was established in 1935 with a goal to make sitting in office healthier. The philosophy is quite simple: the balance between the pillars in every product development at a high standard level in combination with expertise built up over many decades, coupled with plenty of passion for comfortable, healthy and attractive seating.

FLOORING

Specialized in hospitality, commercial and residential solutions with the highest quality of materials with no compromise. We have diverse and extensive range of products such as Carpet, Vinyl, Parquet and Mat with specific loop, pattern texture and color.

MEISTER

MEISTER, Germany was inspired by global living and material trends. These themes illustrate various philosophies in terms of lifestyle, product design and materials. Flooring from A to Z: from design flooring to laminates, Lindura wooden floors, linoleum, Nadura flooring and cork to parquet.

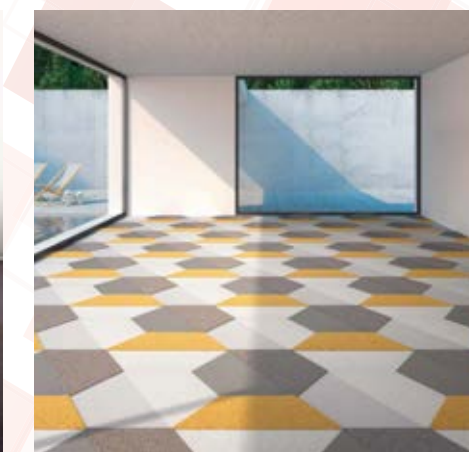

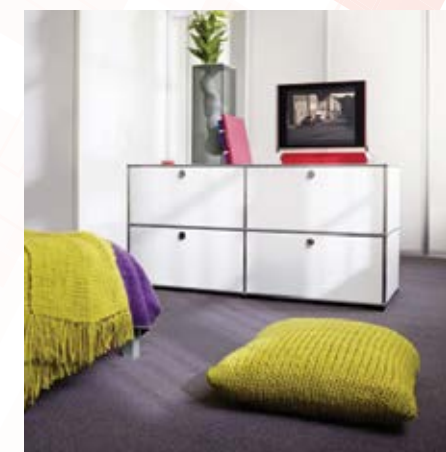

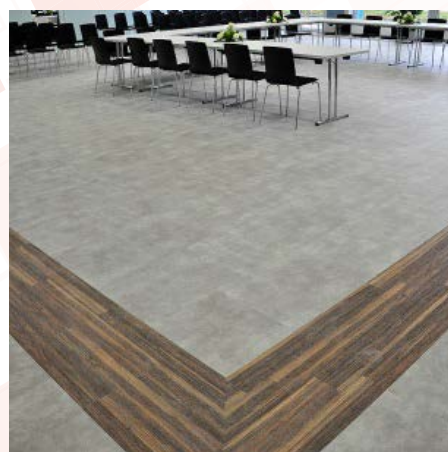

DEBOLON, Germany has been known as specialist in Vinyl flooring for decades. They are also considered as long-lasting, premium vinyl flooring featuring high-quality design.

VORWERK, Germany has been manufacturing carpets since 1883. Sophistication, creativity and intelligence revolving around the floor as central theme – they make Vorwerk Carpets one of the leading international suppliers of high-quality carpets for the private and commercial sector.

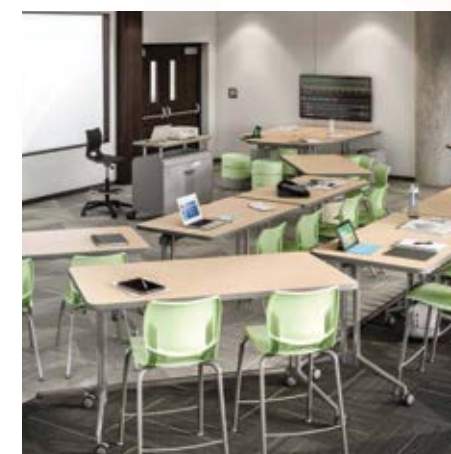

EDUCATIONAL FURNITURE

We offer a complete range of educational furniture, libraries and other accessories to meet the needs of modern schools, universities etc., manufactured with world class technologies and safety standards.

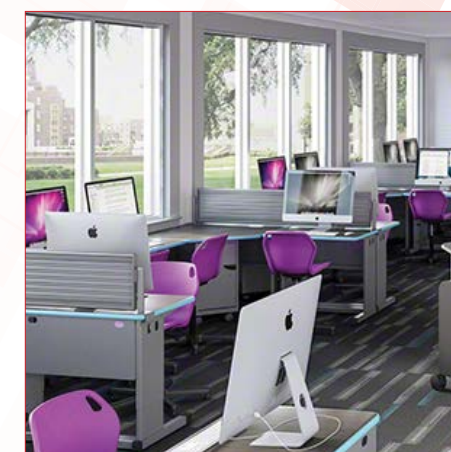

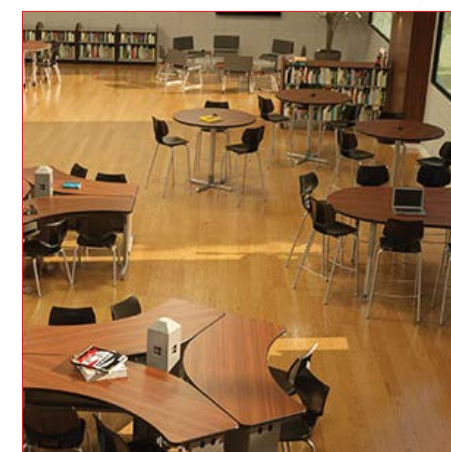

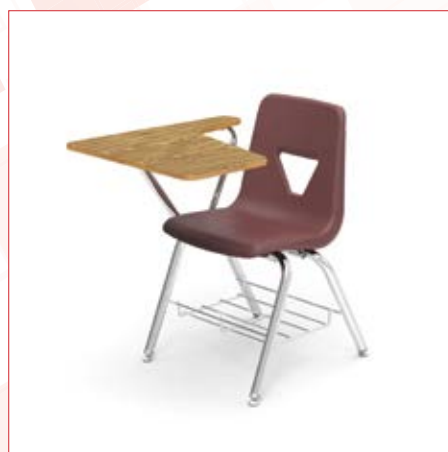

VIRCO, serves from modern domestic factories in US with 65 years of track record of working with educators to furnish America's schools and universities. Virco offers you the industry's best combination of style, sustainability, selection and service for your money.

SMITHSYSTEM, it all started with making learning environments more conducive to learning. Back in 1905 the first need we met was on a very basic level: warmth. Smith System is a manufacturer of innovative products that make educational environments more healthy, comfortable and inspiring for students and educators.

HOME FURNITURE

We offer an enormous selection of fine home furnishing from renowned brands, which is designed and manufactured to meet the highest standard

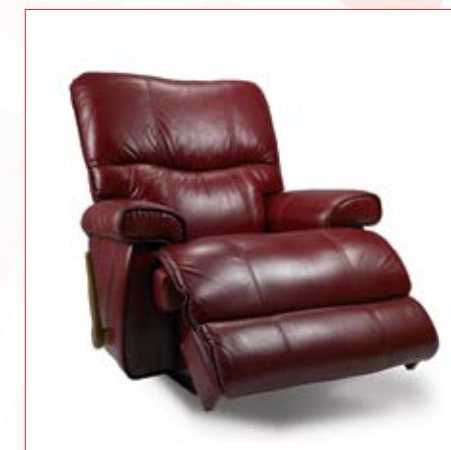

BASSETT's blend of style, comfort and value has been trusted for more than a century and made it one of the most recognizable brands in America. Today, Bassett remains committed to the early principles of the company – that great quality, stylish furniture does not need to be expensive and should be available to everyone. A visit to our store and you'll see just how committed we are to that idea.

LA-Z-BOY, in 1928 the first recliner was born and a legendary company was founded on the principles of comfort, innovation and industry-leading craftsmanship. These principles still hold true today and at the heart of everything we do. From gorgeous stationary furnishings to the iconic recliner, you can count on quality with the La-Z-Boy name. Let us help transform your house into a home.

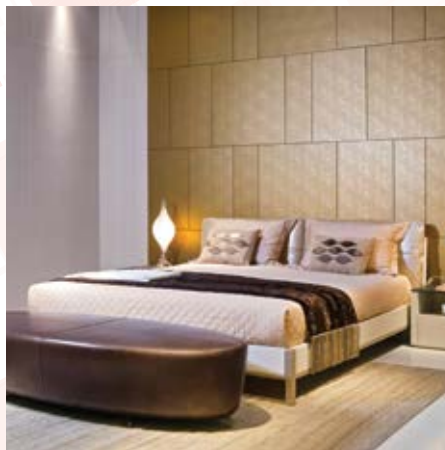

DICKSON, awarded over years, possessing over one hundred design patents, are the achievements that Dickson received after walking 30 years on the path of breakthrough innovation. We are attentive to every small detail with the aim of being responsible to every user, ensuring every user has a satisfied, free and easy experience in enjoying our furniture. We select quality materials and combine with skillful craftsmanship to create premium furniture.

TASS is renowned for high quality, modern, stainless steel furniture. The excellent technology that goes into their making and rigorous quality control has led to its many award achievements.

Natural Collection
