News 2020

UN NUOVO INZIO, UN NUOVO CAPITOLO.
A NEW BEGINNING, A NEW CHAPTER.

Reflex presenta una nuova serie di prodotti contestualizzati per la prima volta in un'architettura dal forte carattere stilistico. Architettura e prodotto si uniscono insieme per creare il nuovo LIFE STYLE REFLEX.
I prodotti NEWS 2020 si integrano e si affiancano a prodotti delle collezioni esistenti coordinati da un gruppo di architetti con un'unica mano creativa.
La tradizione del territorio veneto del vetro di Murano unita all'innovazione tecnologica e alla sostenibilità del vetro, 100% riciclabile, rendono i prodotti Reflex unici e inimitabili, frutto della grande passione per creare spazi emozionanti.

Un'azienda capace di **"essere industriale nei processi, artigianale nei dettagli e nella qualità"**.

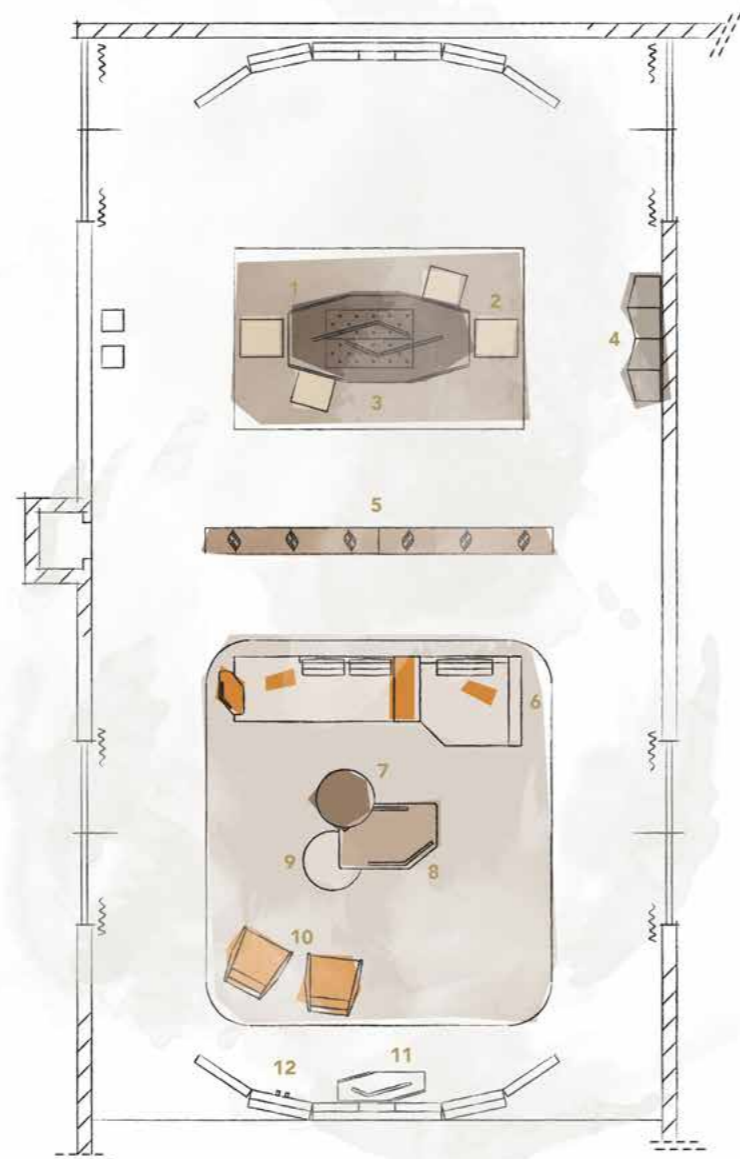

Reflex presents a new series of products contextualized for the first time in an architecture with a strong stylistic character. Architecture and product come together to create the new LIFE STYLE REFLEX.
The 'NEWS 2020' products integrate and complement products from existing collections coordinated by a group of architects with a single creative hand.
The Venetian territory's tradition of Murano glass, combined with the technological innovation and sustainability of glass, 100% recyclable, make Reflex products unique and inimitable, figment of great passion for creating thrilling spaces.

A company capable of **"being industrialist when it comes to processes, but artisans when it comes to details and quality"**.
